

It's Spring . . . And Time For All Good Things To Grow !!

Hello, my name is Jeanne Dube. I am a volunteer for *Hospice Volunteers of Waterville Area*.
I am also an Independent Advisor with *Lia Sophia Jewelry*.

The folks at *Hospice Volunteers of Waterville Area* are looking forward to adding a new memorial garden & gazebo this spring. My goal is to donate "seed" money to help the project "grow". All of my profits from this evening's sales will go to the garden & gazebo. Now here's how you can help "water" their vision . . .
